African-American History Online

Now better than ever!

Best Databases, “Best for High Schoolers” category  LIBRARY JOURNAL

“...highly recommended...easy to use... extremely student-friendly.”—BOOKLIST

“...an excellent resource for school and public libraries and is highly recommended...”
—LIBRARY JOURNAL

Examines More Than Five Centuries of the African-American Experience

African-American History Online offers a fresh way to explore the full spectrum of African-American history and culture. Users can start their investigation of a topic with a video or slideshow overview, use the key content called out on the home page to find an entryway into the database, or dig deep into an era through the Topic Centers. Read about key figures and events, examine speeches and other primary sources, and get context from the in-depth timelines. This robust resource offers a virtual library of African-American history for all educators, students, and researchers.

• Authoritative Source List: A complete inventory, by type, of the expertly researched and written content from a wealth of proprietary print titles

• Easy Access to Content: Featured content is handpicked by our editors to inform research and provide guided entryways into the database, plus convenient links to key areas are at the top of every page

History Research Center

History Research Center, the most authoritative resource for complete history coverage, includes American History Online, African-American History Online, American Indian History Online, Ancient and Medieval History Online, and Modern World History Online. Upgrade to all five databases for the ultimate history coverage and special bundle pricing.
