History Research Center

History Research Center, the most authoritative resource for complete history coverage, includes American History Online, African-American History Online, American Indian History Online, Ancient & Medieval History Online, and Modern World History Online. Upgrade to all five databases for the ultimate history coverage and special bundle pricing.

The Entire Scope of American History—Complete Curricular Coverage

American History Online has been fully revamped and now includes the complete content of the American Women’s History Online and U.S. Government Online databases, for superior, comprehensive curricular coverage. The new American History Online offers a virtual library of American history for educators, students, and researchers of all ages.

• Authoritative Source List: Expertly researched and written content from a wealth of proprietary print titles, including the revised edition of the award-winning Encyclopedia of American History

• Easy Access to Content: Key content is hand-picked by our editors to inform research and provide guided entryways into the database, plus convenient links to key areas are at the top of every page
