History Research Center

History Research Center, the most authoritative resource for complete history coverage, includes American History Online, African-American History Online, American Indian History Online, Ancient and Medieval History Online, and Modern World History Online. Upgrade to all five databases for the ultimate history coverage and special bundle pricing.

Presented the Full Scope of World History from the 15th Century to the Present

Thousands of subject entries, biographies, images, videos and slideshows, maps, graphs, primary sources, and timelines combine to provide a detailed and comparative view of the people, places, events, and ideas that have defined modern world history. Focused Topic Centers pull forward interesting entries, search terms, documents, and maps handpicked by our editors to help users find a starting point for their research, as well as videos and slideshow overviews to offer a visual introduction to key eras and regions.

- Authoritative Source List: A complete inventory, by type, of the expertly researched and written content from a wealth of proprietary print titles
- Easy Access to Content: Featured content is handpicked by our editors to inform research and provide guided entryways into the database, plus convenient links to key areas are at the top of every page
