### Best Educational Software Award (BESSIES)

"Middle School Database Website" category *The ComputED Gazette*

### Education Software Review Award (EDDIES)

"Middle School Database Website" category *The ComputED Gazette*

"Entertaining is not a word usually applied to reference works...but for *The World Almanac® for Kids Online*, the adjective fits... **a reliable resource for homework and projects**, and helps kids learn research skills in a safe and trusted content site...delivers kid-friendly, interesting and, yes, even entertaining content... **deserves to be in every school library, and should be made available to every teacher and student.**"—*The ComputED Gazette*

### The Reliable Resource for Kid-Friendly Reference

Erasing the line between homework support and fun exploration, *The World Almanac® for Kids Online* is a natural complement to the elementary and middle school curriculum. Each curricular subject area provides resources for homework, reports, and projects. Kids can explore age-appropriate topics while developing online research skills with an award-winning, trusted content source.
